

Modular Display Stands

It is possible for us to create a range of pop-up configurations for presentations and exhibitions.

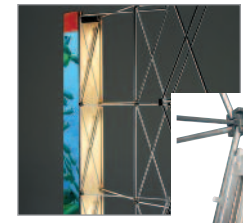

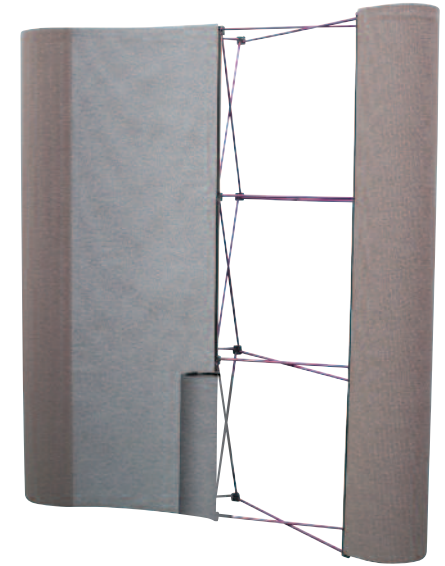

Optional pop-up monitor bracket

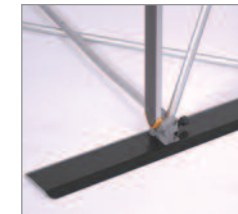

Pop-Up Fabric

- Hard wearing fabric panels
- Use plain or add graphics with hook fastener
- Available for any brand of pop-up system

Pop-Up Lighting - PS1200

- Illuminate with 20w Fluorescent lighting for greater display impact

Stabilising Foot

Recommended for straight systems or where internal or external load-bearing shelving is used.

Pop-Up Shelving

For curved and straight systems

Graphic Cases

The essential accessory to transport pop-ups.

Case to Counter Conversion

Ellipse Plus and Zeus pop-up cases may be converted into counters, with a table top insert and a choice of beech or fabric wraps. Alternatively you may wish to use your own graphic.
