Dear Customer

As **Friends of the Earth**, to show our commitment to the **Environment** Exhibitionsrus have developed our own recycling programme. May we take this opportunity to enclose samples of exhibition units that you have purchased from Exhibitionsrus in the past.

We can **Recondition/Recycle** your existing unit and replace the graphics at a cost of £138.00 including encapsulation (gloss or matt), and if you have a pop-up unit we can replace the graphics for 40% less than the original cost. We can also offer this service if your unit has been purchased from another supplier.

Alternatively, if you do not wish to take advantage of our **Recycling Service** and no longer require your unit it could be returned to Exhibitionsrus House, 79 Sefton Street, Liverpool L8 6UD and we could reface it for a charity of your choice incorporating your own company logo and contact details.

PLEASE NOTE, IT IS THE HARDWARE THAT IS MORE COSTLY THAN THE GRAPHICS AND ARE MORE OF A RISK TO THE ENVIRONMENT WHEN DISPOSED OF.

Please do not hesitate to contact us if you would like us to arrange collection of your unit either by telephone on the above number or contact us at sales@exhibitionsrus.com / www.exhibitionsrus.com

Regards
Exhibitionsrus
